Course/Instructor Evaluations

Did you think you missed them last term? According to Administration, evaluations are no longer being collected for every instructor in every class. Only certain classes and/or new instructors are being evaluated at this time. If you wish to submit an evaluation for a specific class or instructor, you may still do so. Contact the ASBG office for more details.

UNIVERSITY

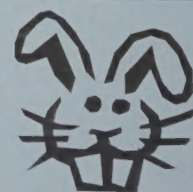

A Penny For Your Thoughts...

The Penny University continues at CCC!

Mondays	Sociology Discussion
Tuesdays	Anthropology Discussion
Wednesday	Geography Discussion
Thursdays	<u>FACULTY/STAFF DISCUSSION</u>

In the early 1700's there were over 2,000 coffee houses in London alone. One could pay a penny on entry and then indulge in a cup of coffee or tea and the talk of the day. The coffee/tea houses were places where ideas were shared and current events discussed. One did not ask where a man lived, but which coffee house he frequented. The conversations that took place in coffee/tea houses had a great influence on the politics and literature and on the social and commercial life of those times. Over the years these coffee/tea houses have been coined Penny Universities.

What can you expect? There is a short reading assigned for each meeting of the Penny University. You can find this reading outside Towler 106 or on reserve at the library. Read the article and be ready to share your thoughts or listen to others share theirs! This is a unique learning community that all are encouraged to join.

Honor's Field

Precision cut grass
tips browned by an early freeze
sprout neat rows of white crosses.

Handfuls of silver-edged leaves
lie strewn like insignia across the fallen.

Composting dreams
meld into mounds of faded desires.

Hedges of blood-red berries
stand sentry along border edges.

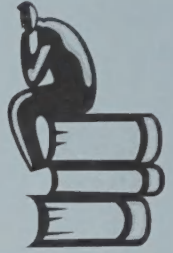

Faint scent of cultivated earth rises
as furrows sown deep with courage,
honor, self-sacrifice,
lie moistened with droplets of grief-stained dew.

Golden sheaves of freedom
wave gently,
bountiful and robust,
under a crimson harvest moon.

FEES TO INCREASE!

The President and the College Board are currently looking at raising tuition for the 2004-2005 school year. Not only is a tuition increase imminent, but there is also talk of increasing fees! I don't know about you, but this is a classic example of making college education out of reach for more and more people.

If you are interested in hearing more about the cost proposals, or would like to voice your opinion on this matter, please look for future postings of "President's Council" Meetings and/or "Conversations with the President." We will be keeping you informed through the ASBG Office. As student representatives, we are concerned with the overall effect of cost increases, not only to us, but to you, our fellow students, as well.

Clatsop Community College Arts & Ideas Program Presents...

April 3rd - April 30th, 2004

Lobby Exhibit: Recent work from the Art Department's photography class with Instructor David Lee Myers.

Open in conjunction with our events held throughout April 2004 at the Performing Arts Center, 16th & Franklin.

Exhibit opens one hour before events.

About the class: Taught by David Lee Myers, the class covers effective use of natural and studio light, design, various lenses, and other camera controls. Students learn traditional black and white darkroom techniques--digital color work is encouraged but not required. Regular lectures to survey important historical and contemporary photography are interspersed with discussion sessions to explore the strengths and opportunities for student works in progress.

The three-credit class meets Tuesday and Thursday afternoon from 3:00 to 6:00 pm, fall, winter, and spring quarters. Beginning, intermediate and advanced levels are offered each term.
